

# *Alaska Native Mentoring Program*

## **Activity permission form:**

The Alaska Native Mentoring Program (ANMP) has partnered with the Mekoryuk Covenant Church in developing a mentoring site. You have signed a permission form for your child to be involved in the program. Your child has or will be paired with a mentor and will be engaging in activities with your child as their mentoring relationship develops. In doing so, your child's mentor will be taking your child out on hunting and or fishing trips on some occasions in the process of developing their mentoring relationship which may include overnight camping trips. This will involve motorized vehicles (snow machine, boat, four-wheeler).

By signing your name, you agree that you will not hold the Mekoryuk Covenant Church liable if any accidents occur involving your child.
