

Alaska Native Mentoring Program

A ministry of Covenant Youth of Alaska

Developing youth through mentoring relationships focused on Cultural Formation, Spiritual Formation, and Life Skills Development to be the next generation of Alaska Native leaders.

“I am excited to not only help youth, but to understand what it means to have faith in God and his son, Jesus Christ. I know that this will help me in my faith too.”

- mentor

“I have been learning the whole armor of God, and I now know them by heart. Since Sunday I’ve been listening to worship songs by Chris Tomlin like, ‘I Will Rise’, ‘How Great is Our God’, ‘Amazing Grace’, and ‘I saw the Light’ by David Crowder.”

“I want to learn to relate to the younger generation in a positive way, that will benefit them in their lives.”

- mentor

“The difference having a mentor is making is that my life is changing more and more and I’m different. I’m reading my Bible more often and praying.”

“I want to have a closer relationship with my mentee so that I can guide him through life’s difficulties.”
