

Covenant Youth of Alaska Ministry Internship Application

"It was he who gave some to be apostles, some to be prophets, some to be evangelists, and some to be pastors and teachers, to prepare God's people for works of service, so that the body of Christ may be built up until we all reach unity in the faith and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ." - Eph. 4:11-13

We hope to see CYAK interns flourish through a guided practical learning experience, growing in their gifts and their sense of call to ministry as the local church benefits from their service.

Goals in connecting a CYAK Intern with a church or ministry:

1. Developing Native young adults into future Alaska church leaders through immersion into a ministry experience that will help them discern and prepare for their next step in ministry/vocation.
2. Developing a mentoring relationship between the intern and the supervising pastor or ministry leader.
3. A healthy setting, which provides constructive evaluation of the intern as well as space for spiritual growth.
4. A financial arrangement that does not create a hardship for the intern and the local church. The local church and the intern agree on housing, stipend, goals, time off and general expectations before the internship begins.
